The Reluctant Cowboy (Morgan Ranch) Kate Pearce

After a turbulent childhood, the Morgan brothers went their separate ways, leaving the family cattle ranch and their cowboy days far behind. But now, one by one, they're being called back home to California. Have they been summoned to save the land—or to start a new legacy?

Chase Morgan high-tailed it away from ranching life as soon as possible. But running a successful technology company can't erase the memories, or secrets, of his youth. Coming home to help his Grandma Ruth may finally put some ghosts to rest—if he can just get a certain smart, beautiful houseguest out of his business. But getting her out of his head is proving even more difficult...

Determined to save the Morgan ranch, historian January Mitchell has pinned her hopes on the surprisingly rugged, surprisingly likable, and exasperatingly stubborn Chase. Surely his love of this breathtaking, mysterious land runs deep enough that he'll once again embrace his inner cowboy. Or maybe, despite both of their skittish hearts, she'll have to find a way to get him back in the saddle...any which way she can.

“If you love cowboys—and who doesn't—you'll love the Morgans!” --Cora Seton, *New York Times* bestselling author
