When Johnny and Jane Come Marching Home: How All of Us Can Help Veterans Ph.D. Paula J. Caplan

Why are those devastated by war or other military experiences called mentally ill? The standard treatment of therapy and drugs can actually be harmful, and huge numbers of suffering veterans from earlier eras demonstrate its inadequacy.

Most of us are both war-illiterate and military-illiterate. Caplan proposes that we welcome veterans back into our communities and listen to their experiences, one-on-one. Beginning a long overdue national discussion about the realities of war and the military will help us bridge the dangerous chasms between veterans and nonveterans.
