Riley Logan and Travis Grayson have been best friends for the last fifteen years. She would do anything for him, go anywhere for him...and she has, countless times. Except now. Now he's asking for too much. Their friendship has reached a breaking point and she doesn't know how to go back. But as Travis' personal assistant, Riley spends her every waking moment by his side. When a fractured ankle puts Travis' BMX career on hold he's given more downtime than he knows what to do with. Always one for excitement, he agrees to become the bachelor on a televised dating show, but only if Riley goes in undercover to help weed through the girls. What was supposed to be eight weeks of freedom has turned into eight weeks of hell surrounded by desperate girls all vying for Travis' attention. He promised her the show would be smooth sailing. He promised he would listen to her advice on which girls should be eliminated. But now he's breaking those promises and getting way too close to the girl Riley despises the most. She shouldn't care. Except she does. Much to her surprise there is one girl she wants Travis to choose... Her. Will she get what she wants, or will Riley lose her best friend along with getting her heart broken on national television?
