With the primary mission in jeopardy, the aftermath of its destruction threatens to tear one family apart...

With the brutal murder of his alien father, Homlin, still a vivid memory, young and impressionable TJ must undertake a journey of self-discovery in order to come to terms with the undeniable truth about his origins. The truth behind his alien heritage can no longer be denied, and the strange power of transformation that comes with it leads TJ down a path of realization and self-determination as he struggles to find his place in this world.

From the small town of Waynesboro, the effects of Homlin's primary mission ripple outwards into the world, carrying with it a promise of destruction and assimilation. Is the world safe from Homlin's true purpose? Is TJ just a dangerous pawn in his primary mission? Or has the battle for the fate of the Earth only just begun?

Return now to Waynesboro at the turning of the tides. Join Pat, Allan, and TJ as they salvage the remains of their dysfunctional and unconventional family, and attempt to make sense of the awful reality that has come to alter their world.
