(Paranormal Cowboy Romance, HEA)

John Blackstone knew the moment he saw Jamie that she was his mate. His vision has given him a glimpse of the woman who will fill his life with the love and acceptance that he craves. She appeared to him completely naked, beautiful, and pregnant, but the sadness in her eyes has always haunted him.

~

Jamie Montgomery's life has been one of isolation. She has always taken care of everyone else and has learned the hard way that love will not be a part of her life. That horrible night so many years ago shattered her hopes for the future. A future with her would hold only emptiness.

~

John knows better. Jamie is perfect for him. She will bring fun and caring into his life. She will accept him, his mixed heritage, and his need to dominate without reservation. She will be the mother of his children and the keeper of his heart.
