Classroom or Small-Group Activities That Promote Positive Study Habits NEW FORMAT! Study Skills Fun Game Kit & CD brings a new dimension to this important topic. Through the use of activity-oriented games, students will see the importance of good listening habits, organizational skills, positive work habits, and goal-setting. As students become involved in these motivating activities, they are acquiring the study skills necessary for academic achievement. Students may be involved in a listening action story, putting together a hamburger, bopping with a sponge bat, racing, using balloons, blowing feathers, or working as teams to challenge their classmates. The activities included in the game kit are fun. But more importantly, they teach sound study skills. This game kit includes 95 classroom or small-group activities that promote positive study habits. It includes a manual with complete directions for each activity as well a CD with PDF files for the reproducible activity sheets and game cards.
