Summers with the Bears: Six Seasons in the North Woods Jack Becklund

In the animal-loving tradition of James Herriot, this delightful story, now in paperback, explores the relationship between man and one of nature's smartest, most interesting, and sensitive creatures—the black bear—and how this experience enriched two people's lives. Poignant and entertaining, and enhanced by photos that reveal a unique and amazing friendship, *Summers with the Bears* is a fascinating chronicle of what happens when humans and wild animals cross the boundaries into each other's world.
