The Big Book of 69 Mystic Mythic Magic: Amazing Fractal Images (Volume 3) Ellie Nellz

The *Big Book of 69 Mystic Mythic Magic Vol 3: Amazing Fractal Images* brings 69 really cool Grayscale and Sketch images, but still makes us want to ask, WTF?

So, go ahead, ask... What's the Fractal?

A Fractal is simply a never ending, repeating pattern or, a repeating pattern that never ends. Well, there's a much longer definition, but that's the main part. (here's a hint, visit my website: www.ellenellz.com and click on the "wtf?" tab. And yes, there is a "wtf?" tab. You're not the only one wondering "wtf?"

If you enjoy mandalas, doodles, and all that other cool coloring stuff, you're going to go nuts over Fractals and this Fractal coloring book!

Features:

- 69 eye-catching *Grayscale & Sketch* images
- The flipside of each page is left blank
- Wide variety of *Fractals* to hold your interest
- 148 full-size pages (8 ½ x 11)
- 60# paper (white)
- Works great with colored pencils & pens!
- Full-color, laminated cover in glossy finish
- Great gift or buy as a personal treat!
- Excellent stocking stuffer!

The Ellie Nellz "grayscale" process takes grayscale to the next level by incorporating a technique which blends computer generated sketching with grayscaling to ensure additional detailing is added during the color washing process. This helps your finished product look more professional, more detailed, and more, well, finished. This methodology of grayscaling gives the colorist the best of both worlds - the traditional line drawing of a great sketch artist and the latest trend of keeping the shading and highlights. What's not to love about that?

For more, see the "Grayscale vs. Sketch" section of my website: www.ellenellz.com. The "Gallery" is filled with coloring schemes and ideas!

These pages work excellent with colored pencils and regular inks. Gel inks should be tested prior to use and then used at your own discretion. Paints, markers, etc., will bleed through and could cause ripping and should, therefore, not be used. Placing a blank sheet of paper underneath the page you're coloring helps to protect the next image.

This coloring book contains fully licensed artwork by various artists, illustrators, and/or photographers further processed by me, Ellie Nellz, as a collection of computer generated and photo manipulated sketch and/or grayscale images presented for fellow lovers of the coloring realm to enjoy. So, ENJOY!
