The Common-Sense Mortgage : How to Cut the Cost of Home Ownership by \$50,000 or More Peter V Miller

Millions of homes are financed each year and millions more are refinanced, a process that routinely leaves consumers dazed, weary, and paying more than they should.

For more than a decade *The Common-Sense Mortgage* has been a consumer staple, used by borrowers nationwide to find better home loan terms and lower costs. Written in plain language, clearly organized, and filled with tables and examples, *The Common-Sense Mortgage* shows how the lending system works, reviews dozens of individual programs, and raises the questions consumers should ask.
