## **Time Agency (Volume 1)** Aaron Frale

Fugitive 07760 woke to a busy city street. His memory was blank. A well-dressed man approached him. He left a locked briefcase at 07760's feet. An agent named Nanette tracked 07760. Her agency had been following the anomalous man through time. But the case was different than all the rest. Her well-dressed protégé had given the fugitive the briefcase. A fellow time agent getting involved was cause for panic. 07760's memory came back slowly as the technology in his body began to regenerate his neural pathways. Fragments of a past bubbled to his conscience. He wasn't sure if it was worth reliving. There was a blond woman from years ago, and she disappeared because she was curious and asked too many questions. 07760 would not disappear quietly in the night. He needed a plan, but there's no time to think with the time agents hot on his heels.
