Brilliant Activities to Stimulate Creative Thinking: Stretch Gifted and Talented Children - And Everyone Else - In Primary Schools Will Hussey

Brilliant Activities to Stimulate Creative Thinking contains over 150 entertaining, open-ended challenges providing mental stimulation for all children, not just gifted and talented children. The activities are designed to develop pupils' higher level thinking skills. The creative, challenging activities develop mental agility and the ability to 'think outside the box'. Children's overall confidence and self-esteem will increase as they work through these challenges where there are no correct answers and any input is valued. The 10-15 minute activities can be used first thing in the morning to fire-up a class, to engage fast finishers, or for homework. All the activities require minimal preparation.
