God's Gladiators Stuart Wilde

God's Gladiators by Stuart Wilde is his most personally revealing book to date. He lays his soul bare as he goes in pursuit of the devil, and finds him a decent chap if a little misunderstood. The dark side, after all, stands side by side with the light, waiting for each of us personally to walk up and shake their hands. What a glorious moment awaits as we embrace our mortality and say good-bye to our illusion of perfection. Stuart lays it all out for us. It's up to you where you go from here.
