The Limbus saga continues with five more stories of horror, science fiction, and fantasy from some of the industry's brightest stars - Jonathan Maberry, Seanan McGuire, Keith R.A. DeCandido, Laird Barron and David Liss. Thomas Malone thought he'd seen it all during his twenty-five years in the Birmingham homicide division. But then they found the body of a woman suspended above the opening of the mineshaft known as the Vertical, blood dripping into the chasm below. At the bottom of that shaft, two clues-a typed manuscript and a business card, blank but for a name on the front and a single sentence on the back. Malone couldn't know that those two enigmatic items would lead him on a manhunt around the world, on the trail of a murderer and an organization of myth and legend. But he shouldn't have been surprised. The business card said it all. LIMBUS, Inc. How lucky do you feel?
