## **Practice Test for the OLSAT - Level E (Fourth and Fifth Grade) - Test 3** Bright Kids NYC

The Otis-Lennon School Ability Test® - Eighth Edition (OLSAT® 8) is a multiple-choice exam that seeks to assess a student's aptitude for in-school performance by testing his or her cognitive and reasoning abilities. The OLSAT® Level E exam is administered to fourth and fifth grade students throughout the United States for placement into various gifted and Talented programs. The best way to develop the critical-thinking skills needed for a successful performance on the OLSAT® is to practice with similarly-styled questions under test-like conditions. The Bright Kids™ Practice Test Three for the OLSAT® - Level E (Fourth and Fifth Grade) contains a full-length practice test with 72 questions, in-depth answer explanations for every question in the practice test, and an answer key that lists the type of every test question in this book. The objectives of this practice test are to identify a student's strengths, weaknesses, and overall test-taking ability in order to adequately prepare him or her for the actual exam. Understanding the content and the format of the OLSAT® Level E test will enable a student to perform to the best of his or her ability on the day of the exam.
