The Perennial Revival William B. Riley

For full twenty-five years evangelism was on the decline in this country. In the early ministry of Mr. Moody “soul-winning” was his watchword, and the results were more pronounced and satisfactory than ever appeared after this mighty man of God turned his attention to the correction of churchianity. In recent years the cry of “evangelism” has been taken up again, and the hope of a wide-spread revival is giving expression to prayers and shape to plans. The cry is worthy “the Church of God.” If this volume adds aught to the realization of “A Perennial Revival” the writer will be most content with his reward. To make a contribution to such a result is cooperation and companionship with Him who came “to seek and to save that which was lost.” W. B. R.
