The information you didn't learn in medical school! "A marvelous and amusing read...memorable anecdotes...I defy you not to laugh out loud." --ENT News

Want to get a step up on the competition? This is the book for young doctors trying to bluff their way into erudite otolaryngological circles by giving the impression that their ENT education was not wasted. Knowledge of trivia about a particular subject always gives the impression that the holder of this useless information is also privy to other facts which are just too mundane to mention. While everyone in the field may know what Gradenigo's Syndrome is, you will impress your colleagues by knowing just who Gradenigo was!

Learn the fun facts and information you missed in medical school the magic and romance behind acoustic neuroma; madness and anesthesia; famous tracheotomies; the history of nasal polyps; and so much more. Finally, a medical book that makes you laugh! *Offbeat Otolaryngology* is the book you will avidly read at every break, use in speeches, and amuse your friends and colleagues.

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Offbeat Otolaryngology can make you really feel more interested to read.
