APPALACHIAN CASESTUDY: UFO Sightings, Alien Encounters And Unexplained Phenomena VOL. 2 Kyle Lovern

West Virginia journalist Kyle Lovern is at it again-putting together another fascinating book about eyewitness accounts of UFOs and strange encounters from the Appalachian region. His first book, Appalachian Case Study: UFO Sightings, Alien Encounters, and Unexplained Phenomena, became a cult favorite and took readers on an amazing journey of exploration through the eyes of many down-to-earth people. Using his background in newspaper and radio, Lovern conducted in-depth interviews with citizens about their unusual encounters and experiences. Although that book focused solely on West Virginia, this new project, Volume 2, expands into the larger Appalachian mountain region, where many people from neighboring states have experienced unusual events and circumstances they cannot fully explain. Lovern's books are yet more pieces of the mysterious puzzle regarding UFOs, alien abductions, and other unusual phenomena.
