Jadite: Identification & Price Guide Joe Keller, David Ross

When Joe Keller and David Ross introduced the first book ever written dedicated to jadite, it was met with critical and popular enthusiasm. It was a tour de force! Now this fourth edition, there are over a thousand pieces illustrated in over 700 color photographs. Additional photographs and a reproduction section enhance the book, along with updated values to keep up with an ever-changing marketplace. *Jadite: An Identification and Price Guide* brings together the works of the three major glass companies that produced jadite from the 1930s to the mid-1970s: McKee, Jeannette, and Anchor Hocking. Exploring these perennially popular collectibles, the book includes numerous dinnerware patterns, all sorts of jadite kitchenware, canisters, shakers, mixing bowls, and ovenware, and jadite items for the home, such as lamps, bathroom items, and ashtrays. The authors have produced a book that will be an invaluable and welcome addition to collectors' libraries.
