Associate Professor of Religion Paul B Duff

Scholars have long puzzled over the imagery focused on Moses in 2 Corinthians 3; it is unclear how that imagery fits into the larger context of the letter. Many have explained the imagery as the apostle's reaction to the super-apostles, Jewish missionaries mentioned later in the letter. These preachers, it has been argued, promoted either a or a Judaizing agenda. In *Moses in Corinth*, Paul B. Duff contends that the Moses imagery has nothing to do with the super-apostles but functions instead as an integral part of Paul's first *apologia* sent to Corinth. This *apologia*, found in 2 Cor 2:14-7:4, represents an independent letter sent to dispel suspicions about the apostle's honesty, integrity, and poor physical appearance."
