Rancho Santa Margarita Remembered

Jerome W. Baumgartner

Rancho Santa Margarita Remembered Jerome W. Baumgartner

One weekend in 1974, Jerome Baumgartner sat with his father and listened to stories of his childhood on the Santa Margarita Ranch. Jerome had heard these stories many times before, but this time was different: this time there was a tape recorder going. That weekend was the first session of what was to become a remarkable oral history of one of the biggest and most important ranchos in California history, a quarter-million acre ranch with tens of thousands of cattle and hundreds of horses, not to mention vaqueros, Chinese cooks, and a vast extended family of remarkable people. But Rancho Margarita Remembered is not just a history of a Southern California cattle ranch. More important, it is the recorded memory of a child's view of a unique period of history of rural America - the first twenty years of the twentieth century - and what it was like to grow up in those times.

From reader reviews:

Clarence Liller:

Book is written, printed, or outlined for everything. You can realize everything you want by a guide. Book has a different type. To be sure that book is important matter to bring us around the world. Alongside that you can your reading expertise was fluently. A reserve Rancho Santa Margarita Remembered will make you to become smarter. You can feel considerably more confidence if you can know about everything. But some of you think that open or reading a new book make you bored. It is far from make you fun. Why they are often thought like that? Have you trying to find best book or acceptable book with you?

Arnold Williams:

People live in this new day of lifestyle always aim to and must have the time or they will get lots of stress from both daily life and work. So , if we ask do people have free time, we will say absolutely sure. People is human not really a huge robot. Then we inquire again, what kind of activity are there when the spare time coming to you of course your answer will unlimited right. Then do you ever try this one, reading books. It can be your alternative with spending your spare time, the actual book you have read will be Rancho Santa Margarita Remembered.

Judith Craig:

In this period globalization it is important to someone to acquire information. The information will make someone to understand the condition of the world. The health of the world makes the information better to share. You can find a lot of referrals to get information example: internet, newspaper, book, and soon. You can view that now, a lot of publisher which print many kinds of book. The particular book that recommended to you personally is Rancho Santa Margarita Remembered this publication consist a lot of the information of the condition of this world now. That book was represented how does the world has grown up. The dialect styles that writer value to explain it is easy to understand. Often the writer made some investigation when he makes this book. Here is why this book suited all of you.

Pat Thomas:

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Rancho Santa Margarita Remembered can make you sense more interested to read.
