Woven together in a tapestry of profound richness, the ancient traditions of Alchemy, Kabbalah, and Tarot are revealed in this book as never before. The most precious sciences of humankind - long reserved for an elite priesthood - are freely offered here for the first time in our history.

In these dark times, humanity needs a practical science to awaken the consciousness and achieve the Second Birth: to be "born again." How else can anything or anyone be born but through sex? Gone are the days of hidden knowledge and obscure theories. The door to liberation from suffering is now opened for anyone who would enter.

"Gnostic Kabbalah is the doctrine of practical Christification. We do not theorize here. This is a one hundred percent practical work. Many students long for their Christification but they do not know where to start, because they do not know the clue, the secret. Here we give away the clue, the secret, the key, to every student." (Samael Aun Weor)
