To uncover is to reveal, expose, or disclose, meaning something was once covered or hidden. This is a part of me that hid from me, but I have tapped into it through poetry. I am taking off everything that the enemy thought he could use to keep me, but through the gift of poetry I reveal the naked side of me. Many won't be able to handle it because they will confuse it with Christianity. That's to be expected because the true me is my Spirituality, yet many don't understand the difference between the two, but purchase this book and allow my nakedness to allow you to tap into that hidden treasure in you! No more hiding, I am NOT ashamed! Show more Show less
