Who In The Hell Do You THINK You Are Mrs Denika Carothers

Most people feel their life is screwed up in one respect or another but they don't know who is REALLY responsible for their screwed up lives. So many people have questions, a lot of them, but they can't seem to access the answers to these questions. Or they don't know where to look to find them. Who In The Hell Do You THINK You Are will provide the answers to your questions and help you to understand how to neutralize the negativity in your life by identifying the barriers that are preventing you from living your best possible life right now. As a man thinks in his heart so he is and whatever a man thinks he is, he is absolutely correct. You can become a product of your environment, but at some point when you no longer feel good about who you "think" you are, it's time to make a decision to make some changes. This book will help you make those changes! This book will help you to get out of your own head and understand how your thoughts are contributing to your experiences. Who In The Hell Do You THINK You Are will show you how you are 100% participating in creating your reality but more importantly it will show you how to shift your focus to design your life by intention, rather than living your life by default. Perception IS everything so if you don't like the way your life is looking then let this book show you how you can change your viewpoint.
