SODIUM Series

A six-book series that takes Man from his first encounter with aliens all the way to a fight for our all-out survival. Do we have what it takes to rule the galaxy?

AMP Series

Cast a thousand years into the future beyond **SODIUM**. This eight-book series chronicles the struggles of Don Grange, a simple package deliveryman, who is thrust into an unimaginable role in the fight against our enemies. Can we win peace and freedom after a thousand years of war?

OMEGA Series

Cast a thousand years into the future beyond **AMP**. The Alliance is crumbling. When corruption and politics threaten to throw the allied galaxies into chaos, Knog Beutcher gets caught in the middle. Follow along as our hero is thrust into roles that he never expected or sought. Espionage, intrigue, political assassinations, rebellions and full-on revolutions, they are all coming to Knog Beutcher's world!

HADRON Series

HADRON is a modern day story unrelated to the **SODIUM-AMP-OMEGA** trilogy series. After scientists using the Large Hadron Collider discover dark matter, the world is plunged into chaos. Massive waves of electromagnetic interference take out all grid power and forms of communication the world over. Cities go dark, food and water supplies are quickly used up, and marauders rule the highways. One group of citizens takes a stand. Can they make a difference? And the devastating EM waves, where are they coming from? After months of starvation, a benevolent species arrive in their spaceships to rescue the Human race. Only, are they really so benevolent?

ARMS Series

ARMS is set in the future where Earth was nearing an apocalyptic event. Two competing colony ships were built, taking five million inhabitants each through a wormhole to a pair of newly discovered planets. The planets were settled and not long after the colonies looked to the surrounding star systems for ownership and expansion, which led to a centuries long war between them. A truce was declared after the aggressor side began to lose ground.

Tawnish Freely and Harris Gruberg are genetically engineered Biomarines. Their lives have been dedicated to fighting the war. They find themselves struggling to find work among a population that fears them. Work is found only by delving into the delivery of illegal arms to the outer colonies. Things go awry when they discover their illicit dealings may just be the catalyst that brings back the Great War. They are determined to prevent that from happening.
