Freddy and Simon the Dictator (Freddy the Pig Series) Walter R. Brooks

Warnings had been printed in the *Bean Home News* and the *Centerboro Guardian*, but nobody paid much attention to them. An animal revolt? "Preposterous!" said the Beans and all the other humans. But it's true- and the outrages begin: cars are stopped and overturned all over the county, farmers starting out to do their morning chores are driven back into the house, and the cows refuse to come in at milking time. In Centerboro, cats are insolent to their mistresses and horses go out of their way to insult people on the street.

Simon the rat is determined to turn the farm into a dictatorship and Mr. Camphor has been persuaded (much against his better judgment) to run for governor of New York State. Herb Garble shows up, Jinx defects to the enemy (or does he?), and Freddy-that inimitable pig!-goes to work as the political boss of Otesaraga County.
