**Introduction to the Operating Room** Amalia Cochran

## **A unique “survival manual” for clinicians new to the operating room**

This one-of-a-kind resource answers all the questions that newbie clinicians, nurses, and allied health workers have about the Operating Room but are afraid to ask. It is a complete and candid explanation of the sights, sounds, technologies, personalities, and culture that readers will experience when they enter that complex, stress-inducing world. *Introduction to the Operating Room* delivers the practical, real-world guidance newcomers need to ensure patient safety and their own career success.

The book is logically divided into two sections: Part 1 discusses the people of the Operating Room and includes companion video interviews that clarify roles and expectations. This section also delves into the politics and culture of the Operating Room. Part 2 is devoted to the equipment of the Operating Room.

- The first book to combine a description of OR people/culture/rules with discussion of equipment/technology
- Includes a valuable glossary of “Operating Speak” that translates the language of the Operating Room to everyday language
- A great resource to help readers impress the attendings and staff of the Operating Room

### From reader reviews:

#### **Joanne Starks:**

This book untitled Introduction to the Operating Room to be one of several books that best seller in this year, that is because when you read this book you can get a lot of benefit into it. You will easily to buy this specific book in the book shop or you can order it by using online. The publisher of the book sells the e-book too. It makes you easier to read this book, as you can read this book in your Cell phone. So there is no reason to your account to past this e-book from your list.

#### **Raymond Hollander:**

Precisely why? Because this Introduction to the Operating Room is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will distress you with the secret it inside. Reading this book beside it was fantastic author who all write the book in such incredible way makes the content inside of easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of rewards than the other book get such as help improving your talent and your critical thinking technique. So , still want to hold up having that book? If I have been you I will go to the book store hurriedly.

#### **April Brooks:**

Playing with family inside a park, coming to see the ocean world or hanging out with friends is thing that usually you have done when you have spare time, and then why you don't try factor that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Introduction to the Operating Room, you are able to enjoy both. It is good combination right, you still desire to miss it? What kind of hang-out type is it? Oh occur its mind hangout fellas. What? Still don't buy it, oh come on its identified as reading friends.

#### **Joyce Tower:**

This Introduction to the Operating Room is great book for you because the content which can be full of information for you who else always deal with world and get to make decision every minute. This kind of book reveal it facts accurately using great arrange word or we can say no rambling sentences within it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but difficult core information with attractive delivering sentences. Having Introduction to the Operating Room in your hand like having the world in your arm, info in it is not ridiculous 1. We can say that no book that offer you world in ten or fifteen tiny right but this guide already do that. So , this is certainly good reading book. Heya Mr. and Mrs. stressful do you still doubt that will?
