Kissing the Man Next Door Devon Vaughn Archer

Kissing the Man Next Door is a powerful and sexy relationship novel from the award-winning and bestselling romance writer Devon Vaughn Archer. Hairstylist Mackenzie Reese is feeling fabulous and free! Her teenage son has gone cross-country to live with her ex, so Mackenzie's got a new lease on life--no men, no kids, no problem! Then sexy disc jockey Ian Kelly moves in next door...and it's more than just the barbecue that heats up. Ian moved to Vermont for a job and his own type of freedom. But he hadn't counted on a beautiful, sassy neighbor to stir his deep, delicious longings. When Ian finally crosses Mackenzie's threshold, it's more than just sugar he wants. And what he wants, he usually gets. But unexpected drama threatens to rain on this block party, as is often the case. No matter. The romance that exudes between the hot neighbors can overcome any obstacles. Or can it? Included are excerpts of the author's bestselling novels, *Destined to Meet* and *To Find That Love Again*. *Kissing the Man Next Door* is a realistic look at modern love that will tug at your heartstrings from beginning to end.

From reader reviews:

Ettie Hardcastle:

Book is to be different per grade. Book for children until adult are different content. To be sure that book is very important for all of us. The book Kissing the Man Next Door was making you to know about other knowledge and of course you can take more information. It is very advantages for you. The book Kissing the Man Next Door is not only giving you much more new information but also to become your friend when you sense bored. You can spend your spend time to read your guide. Try to make relationship together with the book Kissing the Man Next Door. You never feel lose out for everything if you read some books.

Karen Schanz:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The information you get based on what kind of book you read, if you want get more knowledge just go with education and learning books but if you want truly feel happy read one having theme for entertaining for instance comic or novel. The actual Kissing the Man Next Door is kind of publication which is giving the reader capricious experience.

Victor Elias:

Exactly why? Because this Kissing the Man Next Door is an unordinary book that the inside of the publication waiting for you to snap this but latter it will shock you with the secret the idea inside. Reading this book next to it was fantastic author who have write the book in such remarkable way makes the content interior easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of gains than the other book get such as help improving your talent and your critical thinking means. So , still want to hold up having that book? If I have been you I will go to the reserve store hurriedly.

Jason Rickman:

Are you kind of active person, only have 10 or 15 minute in your morning to upgrading your mind talent or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book when compared with can satisfy your small amount of time to read it because all this time you only find book that need more time to be read. Kissing the Man Next Door can be your answer because it can be read by a person who have those short spare time problems.
