Man-Making - Men Helping Boys on Their Journey to Manhood Earl Hipp **About Man-Making:**

The Ancient Call: For thousands of years, in cultures around the world, when the time was right the men of the village came for the adolescent boys. Guiding young males toward a solid and responsible manhood was men's sacred work.

Today, too many men are not answering this man-making call. The result is an epidemic of lost, damaged, and under-male-nourished boys.

Man-Making is a practical and inspirational guide book that shows men how to awaken and apply their instinctive man-making skills. By following the easy, "how to" instructions, and reading the many stories men have contributed, **every man**, regardless of his level of commitment to this work, will find **something** he can do to help a boy or boys on their journey to manhood.

Your Call to Action: If you're a man, you wouldn't be reading this if you hadn't heard the man-making call. Right now, there are boys around you who need the benefit of your wisdom and support to grow into responsible and self-assured men. You **are** the right man for this work, now is the time, and the boys are waiting. This book is the answer to the man-making call you hear. Will you answer?
