The Golden Triangle: a simple philosophy on Dating and Relationships Saga Stevin

For any relationship to last a lifetime, you have to connect on all three points of the "Golden Triangle" - physical, emotional and spiritual. Most relationships meet on two points and will last awhile - perhaps even years, but will not last for the long haul, much less a lifetime.

Each of us has a three-fold nature: body, soul and spirit. In order to have a fulfilling lifelong relationship, all three parts of our nature need to be "mated." This book goes beyond finding your "soul mate" and guides you to finding your spiritual mate. You'll learn what to do, what not to do, and how to know the difference.
