Action (1893): Essay on a Critique of Life and a Science of Practice Maurice Blondel

“Blondel’s masterwork, *Action*, here elegantly translated into English for the first time by Oliva Blanchette, remains a philosophical classic. It is a book that should be read by every mature philosopher and theologian.”
—*International Philosophical Quarterly*

“This translation of Blondel’s critique of life, [his] guide to living, is the best introduction to the man and his important kind of thinking, with a special eloquence and moving force in the reading of the whole.”
—*Religious Studies Review*

“This translation by Oliva Blanchette is very welcome and quite readable . . . [his] introduction is excellent and provides a clear and thorough preparation for the uninitiated reader.” —*Philosophy of Religion*

“Maurice Blondel was one of the foremost French Catholic philosophers of the twentieth century. This is the first complete English translation of his highly influential work.” —*Theology Digest*
