"Mathematical Theology and the Physics of God" is a literary work, which approaches the teachings of the Honorable Elijah Muhammad from an academic standpoint; providing scientific evidence for the current theology of the Nation of Islam. This book seeks to dispel religious mythology and mysticism surrounding the teachings of the Honorable Elijah Muhammad and place them in the paradigm of educational and historical truth by utilizing comprehensive data from diverse fields of study. The data found within the book serves as supporting evidence, which reflects the truthfulness of Master Fard Muhammad's revelation to the Honorable Elijah Muhammad, and serves as a key by which the mysteries of the universe were unlocked.
