The International Guide to Foreign Currency Management Gary Shoup

- A complete guide to currency management
- Builds up a real world program of management

Financial managers rarely find a one-stop source for a complete course on currency management. Well here it is. Gary Shoup builds a foreign currency management program from the start, showing managers and their risk consultants how it is done "in the real world."

This extensive text covers everything from trends in exchange rates to understanding pricing determinants. The market for currencies, price forecasting, exposure and risk management, managing accounting exposure, managing strategic exposure, etc is covered in detail.
