Gods of the New Millennium

Alan F. Alford

Gods of the New Millennium Alan F. Alford

First published in 1997, this is the comprehensive and irrefutable proof of the flesh-and-blood gods who created us genetically in their own image. This interventionist solution identifies them as the builders of the Pyramids, Sphinx and other ancient sites. Up-to-date evidence is that the gods were real and came from within the Solar System.

From reader reviews:

Pamela Steele:

Information is provisions for people to get better life, information currently can get by anyone in everywhere. The information can be a expertise or any news even a concern. What people must be consider any time those information which is inside the former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you obtain the unstable resource then you buy it as your main information you will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take Gods of the New Millennium as the daily resource information.

Wanda Crane:

A lot of people always spent their own free time to vacation or go to the outside with them household or their friend. Do you realize? Many a lot of people spent they free time just watching TV, or even playing video games all day long. If you would like try to find a new activity that's look different you can read the book. It is really fun for you. If you enjoy the book you read you can spent all day long to reading a e-book. The book Gods of the New Millennium it is extremely good to read. There are a lot of people who recommended this book. We were holding enjoying reading this book. In the event you did not have enough space to bring this book you can buy the particular e-book. You can m0ore easily to read this book through your smart phone. The price is not to cover but this book features high quality.

Cassandra Tucker:

Is it a person who having spare time in that case spend it whole day by means of watching television programs or just lying on the bed? Do you need something new? This Gods of the New Millennium can be the response, oh how comes? A book you know. You are consequently out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these ebooks have than the others?

Clarissa Holland:

In this era which is the greater man or who has ability to do something more are more valuable than other. Do you want to become one among it? It is just simple method to have that.
