Welcome to The Isle... Lily Locke has never believed in witches and wizards, ghosts and magic, shifters and vampires—especially cute blonde vamps with blood-intolerance issues. A rising star at a hotshot marketing agency in Minneapolis, Minnesota, all Lily knows is that she's a PowerPoint guru, an Excel ninja, and a coffee-maker extraordinaire. Not to mention she's next in line for a huge promotion. All that changes when Lily's assistant delivers a strange quiz to her, one titled A Magical Assessment for Normal Folks. With it comes the promise of a land she's never known existed. A land where Lily not only discovers her biological family for the first time, but a place where she can make a difference, change lives, and step into the role she's destined to fulfill. But first, Lily must admit she's a witch. Then, she has to acknowledge that the tall, dark, and mysterious man who offers his help is strictly focused on business...at least, for now. When a body turns up dead and the next target is Lily, she must trust her powers and accept the help of her newfound friends. Otherwise, she'll never survive the trials of the magical island tucked far, far away in the frigid waters of Lake Superior. Welcome to The Isle.
