**M Train** Patti Smith

**National Bestseller**

**Featuring a new postscript including five new photos from Patti Smith**

From the National Book Award–winning author of *Just Kids*: an unforgettable odyssey of a legendary artist, told through the cafés and haunts she has worked in around the world. It is a book Patti Smith has described as “a roadmap to my life.”

*M Train* begins in the tiny Greenwich Village café where Smith goes every morning for black coffee, ruminates on the world as it is and the world as it was, and writes in her notebook. Through prose that shifts fluidly between dreams and reality, past and present, we travel to Frida Kahlo’s Casa Azul in Mexico; to the fertile moon terrain of Iceland; to a ramshackle seaside bungalow in New York’s Far Rockaway that Smith acquires just before Hurricane Sandy hits; to the West 4th Street subway station, filled with the sounds of the Velvet Underground after the death of Lou Reed; and to the graves of Genet, Plath, Rimbaud, and Mishima.

Woven throughout are reflections on the writer’s craft and on artistic creation. Here, too, are singular memories of Smith’s life in Michigan and the irremediable loss of her husband, Fred Sonic Smith.

Braiding despair with hope and consolation, illustrated with her signature Polaroids, *M Train* is a meditation on travel, detective shows, literature, and coffee. It is a powerful, deeply moving book by one of the most remarkable multiplatform artists at work today.

#### Stanley Roman:

Does one one of the book lovers? If yes, do you ever feeling doubt if you are in the book store? Try and pick one book that you find out the inside because don't determine book by its include may doesn't work the following is difficult job because you are frightened that the inside maybe not while fantastic as in the outside look likes. Maybe you answer can be M Train why because the excellent cover that make you consider concerning the content will not disappoint anyone. The inside or content will be fantastic as the outside as well as cover. Your reading sixth sense will directly show you to pick up this book.

#### Ella Oxley:

As a scholar exactly feel bored for you to reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's heart or real their hobby. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this M Train can make you sense more interested to read.
