## **Patriot Not Politician: Win or Go Homeless** Tim Donnelly

This book tells the story of Tim Donnelly, a small-town kid, born in the South, raised in the Midwest, who took on California's corrupt political establishment, and won the hearts of the people. Like David facing Goliath, you won't believe how Tim winds up in the middle of almost every major political battle—always fighting for the little guy. This book takes you on a tumultuous journey, from the Valley of the Shadow of Death and brink of despair, to the mountaintop where faith, family, and friendship weather unpredictable success and epic battles, only to be engulfed again in a massive, protracted fight for California's top seat—which reveals the real character of many of the GOP elitists. Donnelly's new book exposes some startling facts about some of the biggest names in the political establishment, and reveals how his gubernatorial bid served as a preview for the treatment Donald Trump would receive by many of the very same people. Patriot Not Politician: Win or Go Homeless will warm your heart, inspire you, and restore your hope that one man, one voice can make a difference—even in politics.
