Lillia Gardens is the largest erotic resort in several dimensions. It's home to colourful flora, weird creatures and time travelling visitors, all ready and willing to get filthy – like Wonderland or Oz but smuttier. Each story follows a woman from a different era who receives a mysterious card inviting them to the Gardens, including Sam, a modern Western woman in a failing relationship; Aysun, a member of a Sultan's harem and Itzel, a Mayan princess. Overseen by their mysterious guide Rex, a rainbow half-man half-bird, they experience all the strange and wonderful things the resort has to offer from vagina seats in the park to a sensory depriving tube.
