This workbook is keyed to Henry Horenstein's *Black and White Photography*, 3rd Revised Edition. Mosley's workbooks have been used since 1978 in classrooms or as self-teaching guides to strengthen one's understanding of the craft of fine photography. Each includes a syllabus and assignments for a one-semester course. Designed to help students learn to read and understand a technical manual, these workbooks are useful, either for weekly assignments or as a supplement to initiate discussions and pinpoint difficult concepts or techniques that need further attention.
