Many women have a distrust for intimacy hidden deep within them. Whether out of life's choices, abuses, or lies, love's expression is for them a closed door--the sacred has been profaned. Often, the damage is not only to relationships with husbands but loved ones, friends, and most significantly God. Drawing from her own experience and vital ministry, author Marian Green (with practical support by marriage and family therapist Luke Brasel) invites readers to heal and love with their whole selves. By authentically engaging God's Spirit, Scripture, and personal relationships, Green has seen many women dismantle the barriers that would deny the beauty of godly love.
