Tiny Mad Idea: The Relative World Belief - I (Volume 1) Sharon Moriarty

Once long ago, at a time almost beyond all memory, we lived in a world of unconditional peace, love, and happiness. In this bliss-filled Kingdom, our radiant minds extended golden thoughts to the far reaches of Creation. Basking in the light and certainty of our True Being, we had every need gratified and were on the spiritual equivalent of hookers and blow for all Eternity. Then came that fatal instant of the tiny-mad-idea (TMI), in which our lives became torn apart. Maddened by this thought, the world soon degenerated into a vengeful, fear-filled and meaningless world of pure chaos, greed and bloodshed. All knowledge and wisdom became lost and we soon began to see ourselves, as beggars, inhabiting an alien and hostile universe. This is where we seem to find ourselves now. Our Eternal Home still exists but we do not know how to reach it. We have become too blind and myopic from living in this dark world of shadows. Blinded also, by all our false and superficial knowledge and our intoxication with worldly ways. In this transmission, you will begin to fully comprehend how the dark world of your perceptions arose. Then provided the healing remedy, which alone can release you of your fearful dream. So will you reach to the heart of timeless wisdom and enter the gates of your true Home!
