## **Gathering Blue** Lois Lowry

Lois Lowry won the first of her two Newbery Medals in 1990 for *Number the Stars*. Six years later she ushered readers back into the mysterious but plausible future world of *The Giver* to tell the story of Kira, orphaned, physically flawed, and left with an uncertain future. This second book in the Giver Quartet has been stunningly redesigned in both paperback and hardcover.

As she did in *The Giver* and later *The Messenger*, in *Gathering Blue* Lois Lowry challenges readers to imagine what our world could become, how people could evolve, and what could be considered valuable. Return again to the world of *The Giver* in Lowry's concluding volume, *Son*, available in September 2012.
