A truce was declared after the aggressor side began to lose ground.

Tawnish Freely and Harris Gruberg are genetically engineered Biomarines. Their lives have been dedicated

to fighting the war. They find themselves struggling to find work among a population that fears them. Work is found only by delving into the delivery of illegal arms to the outer colonies. Things go awry when they discover their illicit dealings may just be the catalyst that brings back the Great War. They are determined to prevent that from happening.
