## **Textbook of Oral Anatomy, Physiology, Histology and Tooth Morphology** K. Rajkumar

This book is part of the LWW India publishing program. This program is developed for the Indian market working with Indian authors who are the foremost experts in their respective fields. Our Indian authors do research and teach at the most respected Indian medical schools and academic hospitals. This handy single-volume book covers the four subjects of Oral Anatomy, Oral Physiology, Oral Histology and Tooth Morphology. The contents are presented in a way which is simple to comprehend yet exhaustive in its coverage. The inclusion of Key Points, Multiple Choice Questions, schematic diagrams and instructions for the procedure of tooth carving are additional features incorporated in this book.
