About Our Book: If you are carrying around a huge commercial bar review book and are unsure what information you actually need to learn, you are not alone. Most companies cram every possible piece of information into their outlines regardless of whether it is actually tested. Such information overload causes problems during the exam. This book is comprised of "Comprehensive Outlines" for the California First Year Law Students' Exam (Baby Bar).

Outlines for all subjects, including Primer Outlines and Issue Spotters, can be found in CBT's Total Bar Exam Preparation Book.
