African American Church Growth: 12 Principles of Prophetic Ministry

Carlyle F. Stewart

African American Church Growth: 12 Principles of Prophetic Ministry Carlyle F. Stewart

Filling a need not previously addressed, *African American Church Growth* contends that it is the prophetic consciousness which appeals to many blacks of the post-civil rights era, and that emphasis on the prophetic will help bring the black church out of the disillusionment of a "post-civil rights malaise".

Carlyle Fielding Stewart defines prophetic ministry as a concern for wholeness of the individual and community. Going beyond a simple call for social justice, the author addresses both spiritual and social tyrannies, within and without the church, that preclude church growth in our center cities and rural communities. Dr. Stewart demonstrates with practical examples how tyranny can be overcome in thriving black churches.
