## Barely Working

**Adam Raphael**, photographer of the widely praised *Room Service*, now offers *Barely Working*, a delicious, racially diverse collection of the finest faces and bodies in working situations that include construction, landscaping, and boiler repair. Of course, work soon gives way to play, and the unique combination of laughter, competition, and youthful energy converge to create a sensual tension that can only be captured by a photographer who has the skill and talent to work closely with his models without ever overshadowing or crowding them.
