E.V.A.In.E.: Book 1 There Was a Place Jackson Burrows

Set within their spiral galaxy, between the expanse waves of Mira and Axis Prime, an exploring society called Deneva has created the answer to a harmonious continuance in the universe. One citizen of remarkable insight and intelligence, Dr. Shesgal Ollemanhalu, has created a transferable, virtual representative from his doctorate work in the natural world to aid his people in establishing the natural development of genesis in order to save his race. He names his virtual creation, E.V.A.IN.E. She is the carryover of Shesgal's doctorate breakthrough in behavioral progression that leads to transcendence. The revelation which was meant only for his world becomes Shesgal's remarkable change to life in the universe. It is known by the greater name of E.V.A.IN.E. World Foundation. In the search for fulfillment beyond their own survival, others, along with Shesgal would develop nature's greatest creation, a superior being of transcendent capability who can lead them all into their place of higher belief in the universe.
