## **Licentious Liberty" in a Brazilian Gold-Mining Region: Slavery, Gender, and Social Control in Eighteenth-Century Sabara, Minas Gerais** Kathleen J. Higgins

To studies of Brazilian slavery this book adds a new dimension by showing how it developed in a region where mining was the chief commercial activity and how important a role gender played in this frontier setting in creating opportunities for slaves to achieve some measure of autonomy, compared with slaves who worked in sugar-cane and coffee-growing areas. The interactions among masters, slaves, and royal officials were profoundly shaped by the accessibility and widespread dispersal of gold deposits, the emergence of small urban centers in which commercial activities thrived, the sexual division of labor among slaves working in mining and commerce, and the changing sex ratio within the population of free white colonists settling in the region. Focusing attention on the changing status, autonomy, and influence of nonwhite women, the author argues, is one of the most effective ways of understanding the economic, demographic, and cultural evolution of the slave society as a whole.

#### **Dean Herbert:**

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this *Licentious Liberty" in a Brazilian Gold-Mining Region: Slavery, Gender, and Social Control in Eighteenth-Century Sabara, Minas Gerais* can make you feel more

interested to read.
