## **Rapture Ready...Or Not?** Terry James

Jesus stated clearly that it will be “business as usual” right up until He catastrophically intervenes again in the affairs of mankind!

- Read the detailed, precise frame of reference of where this generation stands on God’s prophetic timeline
- Discover how each chapter points specifically to what the strange, troubling things happening in a world seemingly gone insane with unstoppable violence means for the immediate future and beyond
- Reflect on the very Word of God - the Bible - in pointing to the only hope the reader and those he or she loves has for escaping God’s righteous judgment that is about to fall on a rebellious world.

*Rapture Ready...or Not* is for this generation of readers who are confused and look upon a world that seems to have destroyed opportunity for a bright, abundant future. The Rapture is about to catastrophically strike an unsuspecting world of both unbelievers and believers. Jesus Christ is the Shelter from the coming Tribulation storm of God’s wrath and judgment.
