Blink of an Eye Ted Dekker

The future changes in the blink of an eye . . . or does it?

Miriam is a Saudi princess promised to another, a pawn in a political struggle that could shift the balance of power in the Middle East.

Seth is a certified genius with a head full of numbers, a life full of baggage, and an attitude born on the waves of the Pacific.

Cultures collide when they find themselves thrown together as fugitives in a high-stakes chase across Southern California. A growing attraction and a search for answers fuel their fight to survive . . . but with no sleep and a massive manhunt steadily closing in, their chances of surviving any future are razor thin.
